

Year 3/4 RSHE

Intent: To equip children with the information, skills and values they need to have safe, respectful and enjoyable relationships and empower them to take responsibility for their sexual health and well-being.

We seek to ensure our curriculum gives pupils the knowledge, skills, attitudes and values that will help them to:

- value their health, wellbeing and dignity
- build self-esteem and self-worth
- accept and value their personal and identity and the personal identities of others
- understand and make sense of the real-life issues they are experiencing in the world around them
- manage and explore difficult feelings and emotions
- consider how their choices affect their own wellbeing and that of others
- develop as informed and responsible citizens
- understand and ensure the protection of their rights throughout their lives.

Cycle A		
Our Wonderful World -terms 1 and 2	What An Adventure- terms 3 and 4	Awesome Achievements- terms 5 and 6
<p>L1. to recognise reasons for rules and laws; consequences of not adhering to rules and laws</p> <p>L3. about the relationship between rights and responsibilities</p> <p>L4. the importance of having compassion towards others; shared responsibilities we all have for caring for other people and living things; how to show care and concern for others</p> <p>L5. ways of carrying out shared responsibilities for protecting the environment in school and at home; how everyday choices can affect the environment (e.g. reducing, reusing, recycling; food choices)</p> <p>L6. about the different groups that make up their community; what living in a community means</p> <p>L7. to value the different contributions that people and groups make to the community</p>	<p>H38. how to predict, assess and manage risk in different situations</p> <p>H39. about hazards (including fire risks) that may cause harm, injury or risk in the home and what they can do reduce risks and keep safe</p> <p>H40. about the importance of taking medicines correctly and using household products safely, (e.g. following instructions carefully)</p> <p>H41. strategies for keeping safe in the local environment or unfamiliar places (rail, water, road) and firework safety; safe use of digital devices when out and about</p>	<p>Year 4 sex ed:</p> <p>H30. to identify the external genitalia and internal reproductive organs in males and females and how the process of puberty relates to human reproduction</p> <p>HAL week:</p> <p>H15. that mental health, just like physical health, is part of daily life; the importance of taking care of mental health</p> <p>H16. about strategies and behaviours that support mental health — including how good quality sleep, physical exercise/time outdoors, being involved in community groups, doing things for others, clubs, and activities, hobbies and spending time with family and friends can support mental health and wellbeing</p> <p>H21. to recognise warning signs about mental health and wellbeing and how to seek support for themselves and others</p>

<p>R1. to recognise that there are different types of relationships (e.g. friendships, family relationships, romantic relationships, online relationships)</p> <p>R5. that people who love and care for each other can be in a committed relationship (e.g. marriage), living together, but may also live apart</p> <p>R6. that a feature of positive family life is caring relationships; about the different ways in which people care for one another</p> <p>R7. to recognise and respect that there are different types of family structure (including single parents, same-sex parents, step-parents, blended families, foster parents); that families of all types can give family members love, security and stability</p> <p>R8. to recognise other shared characteristics of healthy family life, including commitment, care, spending time together; being there for each other in times of difficulty</p> <p>R10. about the importance of friendships; strategies for building positive friendships; how positive friendships support wellbeing</p> <p>R11. what constitutes a positive healthy friendship (e.g. mutual respect, trust, truthfulness, loyalty, kindness, generosity, sharing interests and experiences, support with problems and difficulties); that the same principles apply to online friendships as to face-to-face relationships</p> <p>R13. the importance of seeking support if feeling lonely or excluded</p> <p>R14. that healthy friendships make people feel included; recognise when others may feel lonely or excluded; strategies for how to include them</p> <p>H24. problem-solving strategies for dealing with emotions, challenges and change, including the transition to new schools</p> <p>H14. how and when to seek support, including which</p>		<p>H25. about personal identity; what contributes to who we are (e.g. ethnicity, family, gender, faith, culture, hobbies, likes/dislikes)</p> <p>H27. to recognise their individuality and personal qualities</p> <p>H28. to identify personal strengths, skills, achievements and interests and how these contribute to a sense of self-worth</p> <p>H35. about the new opportunities and responsibilities that increasing independence may bring</p> <p>H36. strategies to manage transitions between classes and key stages</p> <p>L25. to recognise positive things about themselves and their achievements; set goals to help achieve personal outcomes</p> <p>L26. that there is a broad range of different jobs/careers that people can have; that people often have more than one career/type of job during their life</p> <p>L28. about what might influence people's decisions about a job or career (e.g. personal interests and values, family connections to certain trades or businesses, strengths and qualities, ways in which stereotypical assumptions can deter people from aspiring to certain jobs)</p>
--	--	--

adults to speak to in and outside school, if they are worried about their health		
--	--	--

Cycle B		
All Change -terms 1 and 2	Lasting Landmarks- terms 3 and 4	Through the Eyes- terms 5 and 6
<p>Science curriculum:</p> <p>H1. how to make informed decisions about health</p> <p>H2. about the elements of a balanced, healthy lifestyle</p> <p>H3. about choices that support a healthy lifestyle, and recognise what might influence these</p> <p>H4. how to recognise that habits can have both positive and negative effects on a healthy lifestyle</p> <p>H6. about what constitutes a healthy diet; how to plan healthy meals; benefits to health and wellbeing of eating nutritionally rich foods; risks associated with not eating a healthy diet including obesity and tooth decay.</p> <p>H7. how regular (daily/weekly) exercise benefits mental and physical health (e.g. walking or cycling to school, daily active mile); recognise opportunities to be physically active and some of the risks associated with an inactive lifestyle</p> <p>H11. how to maintain good oral hygiene (including correct brushing and flossing); why regular visits to the dentist are essential; the impact of lifestyle choices on dental care (e.g. sugar consumption/acidic drinks such as fruit juices, smoothies and fruit teas; the effects of smoking)</p> <p>R19. about the impact of bullying, including offline and online, and the consequences of hurtful behaviour</p> <p>R20. strategies to respond to hurtful behaviour experienced or witnessed, offline and online (including teasing, name-calling, bullying, trolling, harassment or the deliberate excluding of others); how to report concerns and get support</p> <p>R22. about privacy and personal boundaries; what is</p>	<p>L17. about the different ways to pay for things and the choices people have about this</p> <p>L18. to recognise that people have different attitudes towards saving and spending money; what influences people’s decisions; what makes something ‘good value for money’</p> <p>L19. that people’s spending decisions can affect others and the environment (e.g. Fair trade, buying single-use plastics, or giving to charity)</p> <p>H46. about the risks and effects of legal drugs common to everyday life (e.g. cigarettes, e-cigarettes/vaping, alcohol and medicines) and their impact on health; recognise that drug use can become a habit which can be difficult to break</p> <p>H47. to recognise that there are laws surrounding the use of legal drugs and that some drugs are illegal to own, use and give to others</p>	<p>Year 4 sex ed:</p> <p>H30. to identify the external genitalia and internal reproductive organs in males and females and how the process of puberty relates to human reproduction</p> <p>H36. strategies to manage transitions between classes and key stages</p> <p>HAL week:</p> <p>H15. that mental health, just like physical health, is part of daily life; the importance of taking care of mental health</p> <p>H16. about strategies and behaviours that support mental health — including how good quality sleep, physical exercise/time outdoors, being involved in community groups, doing things for others, clubs, and activities, hobbies and spending time with family and friends can support mental health and wellbeing</p> <p>H21. to recognise warning signs about mental health and wellbeing and how to seek support for themselves and others</p>

appropriate in friendships and wider relationships (including online);

R23. about why someone may behave differently online, including pretending to be someone they are not; strategies for recognising risks, harmful content and contact; how to report concerns

R24. how to respond safely and appropriately to adults they may encounter (in all contexts including online) whom they do not know

R27. about keeping something confidential or secret, when this should (e.g. a birthday surprise that others will find out about) or should not be agreed to, and when it is right to break a confidence or share a secret

R28. how to recognise pressure from others to do something unsafe or that makes them feel uncomfortable and strategies for managing this

R29. where to get advice and report concerns if worried about their own or someone else's personal safety (including online)

R30. that personal behaviour can affect other people; to recognise and model respectful behaviour online

R31. to recognise the importance of self-respect and how this can affect their thoughts and feelings about themselves; that everyone, including them, should expect to be treated politely and with respect by others (including when online and/or anonymous) in school and in wider society; strategies to improve or support courteous, respectful relationships

R32. about respecting the differences and similarities between people and recognising what they have in common with others e.g. physically, in personality or background

R33. to listen and respond respectfully to a wide range of people, including those whose traditions, beliefs and lifestyle are different to their own

H37. reasons for following and complying with

regulations and restrictions (including age restrictions); how they promote personal safety and wellbeing with reference to social media, television programmes, films, games and online gaming		
---	--	--

Could link with computing objectives:

L11. recognise ways in which the internet and social media can be used both positively and negatively

L12. how to assess the reliability of sources of information online; and how to make safe, reliable choices from search results

L15. recognise things appropriate to share and things that should not be shared on social media; rules surrounding distribution of images

R29. where to get advice and report concerns if worried about their own or someone else's personal safety (including online)

R30. that personal behaviour can affect other people; to recognise and model respectful behaviour online

R19. about the impact of bullying, including offline and online, and the consequences of hurtful behaviour

R20. strategies to respond to hurtful behaviour experienced or witnessed, offline and online (including teasing, name-calling, bullying, trolling, harassment or the deliberate excluding of others); how to report concerns and get support

R22. about privacy and personal boundaries; what is appropriate in friendships and wider relationships (including online);

R23. about why someone may behave differently online, including pretending to be someone they are not; strategies for recognising risks, harmful content and contact; how to report concerns

R12. to recognise what it means to 'know someone online' and how this differs from knowing someone face-to-face; risks of communicating online with others not known face-to-face

H13. about the benefits of the internet; the importance of balancing time online with other activities; strategies for managing time online
